the LD is legally required to request identifying information from each contributor.

Instructions

1. Please use this fillable PDF form to type your information into all of the fields.
2. Print the completed form and bring it to the LD9 meeting (sign-in table), together with the badge fee.
Checks or exact cash is very much appreciated because our ability to provide change at the meeting is difficult and limited. We cannot take digital payments at this time.
3. Pick up your completed name badge (sign-in table) at the meeting following when the order is submitted.

Notes on Ordering

If you choose to manually complete the form, make sure to PRINT your name very CLEARLY and legibly. We would hate for your badge to have your name imprinted incorrectly due to difficulty reading handwriting.

The reason we ask for occupation & employer name in addition to address, phone, & email, is that we are legally required to because part of the badge sale counts as a fund raising event for our Legislative District. Other than as required for county/state financial filings, we do not provide this information to outside entities. Your providing this information allows us to remain fiscally compliant with political party finance regulations.

If you wish to have a regular pin backing, rather than magnetic, please make note of that on at the top of this order form. Our name badge vendor has advised that magnetic backing name badges may not be appropriate for those who have implanted medical devices (e.g. pacemakers, etc.).
